

*Come Celebrate
our New Book with us!*

Saturday, June 19

2- 4 p.m.

Christ Church, Anglican

414 Oil Street

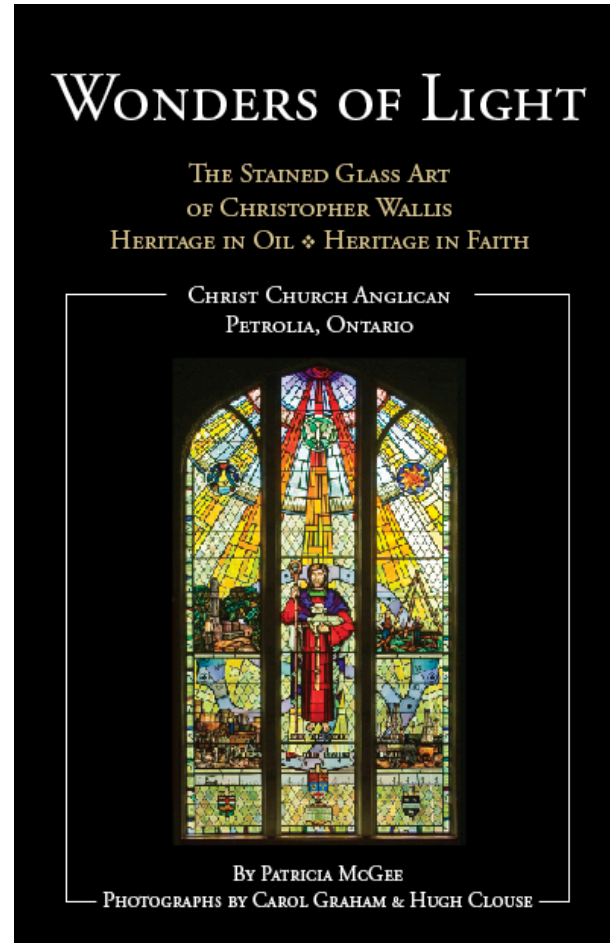

Petrolia

Christ Church has just published a new 64-page book about its extraordinarily beautiful windows designed by the distinguished stained glass artist Christopher Wallis.

Wonders of Light, the Stained Glass Art of Christopher Wallis features 23 colour photographs of his windows in a blend of traditional and contemporary styles. The book also tells the amazing tale of how the roots of the church and the roots of Petrolia's oil industry have been entwined since 1866.

The book will be on sale and our special guest Christopher Wallis will be on hand to sign books. Author Patricia McGee and photographers Carol Graham and Hugh Clouse are coming too.

We're celebrating inside the church where all can tour the 13 remarkable windows.

You're Invited! Come Join Us!

*Celebrating Heritage in Oil
and Heritage in Faith*
